Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

On November 6, 1998, the examiner was contacted by the applicant's representative. The applicant's representative notified the examiner that there had been a processing error relating to each of the following cases: 08/895,777, 08/895,782 and 08/895,936. Accordingly, the examiner drew the applications from central files in order to rectify the problem via a supplemental action. In the interrum between the first office action and the supplemental action, a supplemental IDS had been inserted in the file. The supplemental IDS provided a reference that was utilized in the supplemental action.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Examiner Note: You must sign and stamp this form unless it is an attachment to a signed Office action.
